2. So maybe the chance for romance
Is like a train to catch before it's gone
And I'll keep on waiting and dreaming
You're strong enough to understand
As long as you're so far away

From Sarah with love
She'd got the lover she is dreaming of
Never found the words to say, ah!
But today, but today.
From Sarah with love.
She took your picture to the stars above
And they told her it is true

She could dare
To fall in love with you.
So don't make her blue
When she writes to you
From Sarah with love
So don't make me blue
When I write to you
